Sub: Awareness Programs by NPCIL, Visakhapatnam -reg.

Following awareness programs were conducted by NPCIL, Visakhapatnam:

- On 27.02.2012 at the request of the college authorities, an awareness lecture was conducted at Amrita Sai Institute of Science & Technology, Paritala, Krishna District, Andhra Pradesh. The students of final year B.Tech., and the staff of the college attended the lecture. Chief Project Engineer, Kovvada NPP delivered the lecture on the topic "Future energy requirements: Nuclear Power a viable option". The Lecture was well received by the students and the faculty. The session has been interactive and students have shown a lot of enthusiasm. They sought clarifications on various issues. In the concluding session, the students and faculty cheered with loud applause and in one voice raised a slogan "We say yes to Nuclear Power".
- A cultural event for three days was celebrated by Srikakulam district authorities from 18th February 2012 to 20th February 2012 in Srikakulam. NPCIL, Visakhapatnam utilized this event to reach people in a big way by displaying banners of NPCIL and publishing an article in the souvenir released.
