

PRESS NOTE

Rajasthan Atomic Power Station-5&6, Rawatbhata has won the 8th ENERTIA Award 2014 (**WINNERS AWARD**) in the category of **Power Generation Award-Nuclear Energy**. The award was presented by Hon'ble Member of Parliament Smt. Darshna Jardosh on 27th November 2014 at "The Metropolitan Hotel, New Delhi.". The Award was received by Sh Vinod Kumar, SD RAPS-5&6.

The 9 Eminent Members Jury Panel of 8th ENERTIA Awards 2014 under the chairmanship of Prof. A.G. Iyer, Editor-in-Chief & Publisher, ENERTIA recognizes that RAPS-5 is ranked No. 2 globally for continuous operation. RAPS-5 has continuously operated for 765 days from 2nd August, 2012 to 6th September, 2014 before shutting down for two-yearly maintenance.

The award function was organized by ENERTIA foundation, Falcon Media, Renewable Energy Promotion Association (REPA) & Alliance for Small & Medium Enterprises (ASMEI). This prestigious and coveted ENERTIA award was instituted in the year 2007 for excellent performance of Public & Private Enterprises in the sector of power and energy of India and South Asian Region.

After receiving the award, Shri Vinod Kumar, SD RAPS-5&6, said that it is a great privilege to receive such a prestigious National Award which motivates for further improving the performance. He congratulated all the employees of RR Site and gave credit to team work and requested them to continue the same efforts in future also.

It is pertinent to note that recently RAPS-5&6 also won prestigious India Power Award for Best Overall Performance in Private Sector & PSUs.

November 29, 2014.

(Vinod Kumar)

Station Director-5&6
