

Presentation at “The Big Show Rajkot 2014” Expo on 25.11.2014

The Big Show Rajkot 2014 was Jointly organized by **Rajkot Engineering Association** and **Ministry of MSME (Govt. of India)**. An industrial exhibition showcasing more than 200 stalls from various industries was organized with a motto to encourage and uplift micro, medium and small scale industries. The exhibition was scheduled from 23-11-2014 to 26-11-2014. A daylong seminar was organized to give manufactures clear understanding about benefits from Ministry of MSME and various other benefits under MSME Act – 2006. NPCIL was invited to deliver a presentation on facilities / benefits / encouragement offered by NPCIL to MSMEs under “Nation Vendor Development Program” of Ministry of MSME.

During a daylong seminar, Ministry of MSME invited speakers from many organizations like NPCIL, Western Railway, Air force, Canara Bank, Vijay Transport, etc. A time slot of 11:00 hrs. to 12:00 hrs. was allocated to NPCIL for presentation. Shri. P.M.Shah, CPE – Mithivirdi Projects delivered a powerpoint presentation on the subject. There were about 100 entrepreneurs present in the seminar. During the NPCIL presentation, the following information was given to the participants.

- Nuclear Power Plants establishment in India and future expansion program.
- Power scenario in India.
- India’s conventional energy resources and need of Nuclear Power in India.
- Brief process of electricity generation through Nuclear.
- NPCIL’s financial data sheet.
- Quantities of materials and equipment required for establishment of Nuclear Power Plant.
- NPCIL’s procurement process (Pre-tendering and post tendering).
- Various provisions made in NPCIL contract / supply system as stipulated in MSME act-2006.
- Process for vendors registration in NPCIL.

The presentation was appreciated by MSME ministry officials and audience. Many queries regarding supply system in NPCIL were raised by vendors and were appropriately replied.

Photographs are placed below.
