

**Report on Public Awareness Programme at "Lakhanka Primary School" Ta.
Bhavnagar, Dist. Bhavnagar" on 30.12.2013**

A presentation on Nuclear Energy was scheduled at "Lakhanka Primary School" under public awareness programme. Lakhanka village is just adjacent to Mithivirdi Village and at about 4 Km of aerial distance from Mithivirdi Plant Location. Lakhanka is a small village having population of about 3500 people. Lakhanka Primary School is having student strength of about 750.

About 220 students from class 6 to 8 attended the programme. Banners mounted on standies were exhibited and explained to them. Cartoon Movies "Ek Hato Mansukh" and "MAnsukh Ni Mulakat" in Gujarati were screened. The students were very happy viewing cartoon movies. A Powerpoint presentation in Gujarati language about Nuclear Power describing need of electricity, depleting natural resources, increasing pollution, global warming and its effects, Nuclear Power Technology, radiation, etc were explained to them. Comic Books "Have Badlai Gayo Che Mansukh " part-3 were distributed to the students. Kits containing full set of booklets were given to teaching staff.

Photographs are placed below.
