## **Public awareness program at Sanatan Dharm High School, Bhavnagar**

A Public Awareness Program was conducted at Sanatan Dharm High School, Bhavnagar on 31.08.2012.

About 230 students of Secondary & Higher Secondary and teaching staff attended the program. First the Cartoon movie "Ek hatho mansukh" was shown. Then a PowerPoint presentation on Nuclear Power and safety in Nuclear Power was shown. "Anu Urja Nu Ashcharya" booklets in Gujarati language were distributed to the students. Full sets of NPCIL printed publications were given to Teaching staff.

Banners about Nuclear Energy were exhibited and a working model of PHWR was displayed. Working of NPP was explained to the group of teachers using working model of NPP. Teachers asked many questions and were replied to the satisfaction.
