**Subject: Report on Vocational Trainees from Various Engineering Colleges.**

To generate awareness among students, teacher, government authority & general public that nuclear energy is clean & green source of energy and radiation is part of our life, 35 vocational trainees joined NTC, RR Site on 27<sup>th</sup> May-2013 under public awareness program and educated on following topics;

- ❖ Nuclear Power is clean, safe environmental friendly.
- ❖ Radiation & Industrial Safety.
- ❖ Radiation is part of our life and releases from nuclear power plants is negligible compared to natural background radiation.
- ❖ Make them aware that nuclear power has great potential for future energy and required for the development of our nation.

Information disseminated through lecture, models, simulator, movies, pamphlets and plant visit.

**Students were joined from various colleges as per following;**

- ❖ Jaypee Institute of Information Technology, Noida
- ❖ Sir Padampat Singhania University, Udaipur
- ❖ Swami Keshvanand Institute of Technology, Management & Gramothan, Kota
- ❖ Jaipur Engineering College , Jaipur
- ❖ Shri G S Institute of Technology & Science Indore (M.P.)
- ❖ Suresh Gyan Vihar University, Jaipur
- ❖ Malaviya National Institute of Technology, Jaipur
- ❖ Govt. Polytechnic College, Baran
- ❖ National Institute of Technology, Warnagal
- ❖ Sarvodaya Polytechnic College, Jagpura, Kota
- ❖ Indian School of Mines, Dhanbad
- ❖ Malviya National Institute of Technology, Jaipur
- ❖ Indian Institute of Technology, Bombay
- ❖ Pacific Polytechnic College, Udaipur

## Glimpses of the Program

**VOCATIONAL TRAINEES DURING THE LECTURE AT NTC AUDITORIUM, R R SITE UNDER PUBLIC AWARENESS PROGRAM.**

**SH. M L KHINCHI, MEMBER (PAC) DELIVER THE LECTURE TO VOCATIONAL TRAINEES ON NUCLEAR POWER IS SAFE, CLEAN & ENVIRONMENTAL FRIENDLY AT NUCLEAR TRAINING CENTRE, R R SITE UNDER PUBLIC AWARENESS PROGRAM.**
