

Diamond Jubilee Year of Department of Atomic Energy

Invited Talk on Nuclear Energy: Achievements and Challenges

Kendriya Sachivalay Hindi Parishad,

Bhabha Atomic research Centre (BARC), Mumbai

February 23, 2015

“Nuclear Energy: Achievements and Challenges”

On account of annual “Rajbhasha Puruskar Vitran Samaroh”, Kendriya Sachivalay Hindi Parishad of Bhabha Atomic Research Centre (BARC) in association with Rajbhasha Dept. of BARC organised an interactive talk on “Nuclear Energy: Acheivements and Challenges” on 23rd February 2015. The event was attended by delegates from various other sections of BARC. The programme was inaugurated by Dr. S.L Chaplot, Chairman, Kendriya Sachivalay Hindi Parishad & Director (Reactor Physics Group), BARC in august presence of Shri. Rishi Kant Mishra, Asst. Director (Engineering Services Group). The special talk on the above mentioned subject was delivered by Shri. Amritesh Srivastava, Manager (Corporate Communication), NPCIL, Mumbai. The objective of the talk was to discuss about the various ongoing efforts carried by NPCIL to dispel the apprehensions and myths from the mind of common people. Besides the lecture also covered the multi-pronged long term structured approach of NPCIL to connect with the large number of audience for spreading awareness on nuclear power.
