

PUBLIC AWARENESS PROGRAMME IN
AMRITA VISHWA VIDYAPEETHAM, KOLLAM, KERALA

Amrita Vishwa Vidyapeetham located in Amriptapuri, Vallikavu of Kollam District, Kerala is a reputed institute and imparts education for the courses B.Tech, M.Tech, M.Sc in various disciplines.

On invitation from the Institute, Shri A.K. Balasubrahmanian, AD (LWR Design and SA&S) delivered a lecture titled 'Nuclear Power – Safe, Clean and Sustainable' on 25th March, 2013. The three hour lecture covered the following topics:

- India's Energy Scenario
- Nuclear Power Plant Basics
- Design and Safety of NPPs
- Kudankulam NPP
- India's three stage nuclear power programme.

The audience included students and faculty of B.Tech, M.Tech and M.Sc courses. Questions from the audience on Waste Management, Radiation and Kudankulam NPP safety were answered with explanation, facts and figures.

There were separate interactive sessions with M.Tech and M.Sc students on general topics such as activities of DAE / NPCIL, Nuclear Power Programme, Career Opportunities in DAE etc.

Glimpses of the Public Awareness Programme
