

National Safety Week commences at KKNPP

43rd National Safety Week celebration commenced at Kudankulam Nuclear Power Project in the morning of 4th March, 2014. The employees, senior officers and management executives gathered and took the industrial safety pledge for strengthening the safety and committed for putting their efforts to take proactive measures to avert accidents with no compromising policy.

The safety pledge was administered in Tamil by Shri. S. Kannan, General Secretary, Employees Union, in Hindi by Shri. P.K.Khare, Officer In-charge (IS&F) and in English by Shri. E.Chinnaveeran, President, Officer's Association.

Shri. R.S.Sundar, Site Director addressed the gathering in the presence of Station Director, Chief Construction Engineer, Addl.. Chief Engineers, Senior Officers and employees. He requested everyone to avoid complacency and strive for added safety measures.

During the National Safety Week, many safety promotional activities are being conducted for the employees and contractors' workers for inculcating safety awareness.
