

**Report on visit of participants of International Training Program  
on  
Audit of State owned enterprises.  
(9<sup>th</sup> September- 2015, Wednesday)**

*Venue-Narora Atomic Power Station,  
Narora (UP)*

---

International Centre for Information Systems and Audit (iCISA) has organized an International Training Program (ITP) on ‘Audit of State owned Enterprises’ from 17<sup>th</sup> August to 11<sup>th</sup> September, 2015. Participants from 26 countries are participating in this training program. The focus of this training program is on Power and Infrastructure sectors.

As part of this training program, a visit to Narora Atomic Power Station was organized on 9<sup>th</sup> September 2015, with the intent of valuable exposure to the participants and showcasing India’s achievements in the nuclear power sector.

41 participants from 26 countries visited NAPS along with Shri Roy Mathrani, Director General, iCISA. The team was received at Station Training Centre by Shri A K Dutta, Chief Superintendent – NAPS and other senior officials of NAPS management. All the officials were given a glimpse of Nuclear energy sector in the Information hall of Station training center. The participants were briefed by station management through various models which was appreciated very much by the participants. The participants were then shown the Plant area for which the entire team was distributed in four teams and escorted by management and other senior officers. The team was thrilled after the field visit and appreciated the overall condition of plant area.

Finally, the participants were given a presentation on highlights of Indian Nuclear Energy sector along with various initiatives undertaken for public outreach and also under Corporate Social responsibility (CSR). The queries of many participants were also addressed by the management after the presentation. The team finally departed back to Delhi after High Tea in STC, NAPS.

The program was successful in achieving its goal of giving exposure to the participants and showcasing India’s achievements in the nuclear power sector.
