**Report on the Awareness programme at New College, Chennai**

The 6<sup>th</sup> Annual science fair was organized on 8-1-2014 by Southern Regional OMEIAT (Organization of Muslim Educational Institutions and & Associations of Tamil Nadu) for the students from various schools of the four south Indian states (Tamil Nadu, Kerala, Andhra Pradesh and Karnataka) at New College, Chennai-14. The programme was conducted with the objective of promoting scientific awareness by organizing exhibits and models.

The projects exhibits were mostly on energy conservation, exploitation of natural resources and alternate renewable energy sources. The response was very good as outside schools, their teachers and parents were present.

A separate hall was allotted for DAE establishments which housed stalls of IGCAR, MAPS, ESL and BHAVINI. The following personnel from MAPS and ESL participated in the event, interacted with the visitors and addressed all their queries:

1. Shri V.S. Santhanam, SO/D
2. Smt. Krishna Subramaniam, SO/C
3. Shri. S. Ramkumar, SO/D, ESL
4. Smt. A. Thilakavathy, SA/E, ESL

Students from various institutions interacted and explored the project/job opportunities in DAE Establishments and job career through the same. Participants were encouraged to test the exhibits on natural background radiation displayed by ESL with instruments and their queries related to radiation exposure were clarified. Parents of students also interacted and evinced interest to visit MAPS to know more about NPPs.

A total of 1000 students including parents and teachers participated in this fair. The participants were given pamphlets containing the details of Radiation exposure from natural background, food items, medical exposure and from nuclear plants. The message was well understood by the participants which were confirmed on interaction with them.
