INTERACTION WITH VILLAGERS OF KOVVADA

In wake of publication the Gazette notification under section 4(1) of Land Acquisition Act, 1894 in the local dailies for land acquisition of Kovvada site for Ramachandrapuram and Kotapalem villages, villagers from Pedda Kovvada, China Kovvada, Machilesam, and Tekkali have visited NPCIL office, Visakhapatnam to know more details with regard to safety, health R&R Plan and various other aspects of the project and their livelihood. Villagers in groups visited NPCIL office, Visakhapatnam. Villagers interacted with NPCIL officials to know about the plant safety, health the R&R plan and their future. They evinced interest to know various aspects of the Land Acquisition Bill, and the compensation they are due for. NPCIL office, Visakhapatnam has narrated various safety features right from selection of site to operation of the atomic power plants. Also during the session the villagers were informed that the R&R plan shall be in line with Land Acquisition Bill, 2012 as directed by AP State Government G.O.Ms.42. Also informed that R&R is under review& approval by the Directorate of R&R, NPCIL at Head Quarters and will be submitted for approval to NPCIL Board of Directors.

During these meetings, NPCIL literature was distributed to all the villagers.
