**Sub: Lecture program on benefits of Nuclear Energy at Dr. Balasaheb Sawant
Konkan Krishi Vidyapeeth, Dapoli, Ratnagiri.**

A lecture program on “nuclear energy and its various beneficial aspects” was organized at Dr. Balasaheb Sawant Konkan Krishi Vidyapeeth, Dapoli, Ratnagiri on July 11, 2014

The need of nuclear power in country, impeccable safety records of Indian NPPs as well as its robust safety features and omnipresence of radiation were some of the topics covered in the programme. A special session on the applications of nuclear techniques in agriculture and food industry like food preservation, pest control, plants breeding and genetics etc was also held.

Dr. K.E. Lawande, honorable Vice - Chancellor, Dr. Balasaheb Sawant Konkan Krishi Vidyapeeth, Dapoli, in his key address highlighted the utility of nuclear energy for improving life of mankind. He showed his keen interest in understanding the fine aspects of nuclear energy and took active participation throughout the programme despite of his busy schedule.

About 200 students of Agriculture Engineering, Forestry, and Science disciplines with their deans and faculty members participated in the programme. Lectures were followed by an interactive Q&A session in which large numbers of participants raised their queries. All the queries were answered to their satisfaction.
