

Scientific Meet on “Radiation and Hazards” for Doctors of Grant Government Medical College, Mumbai

MUMBAI, October 16, 2012

NPCIL in collaboration with ‘Sir J.J. Group of Hospitals’ and ‘The Mumbai Chapter of Indian Association Of Preventive and Social Medicines’ had organised its Second Scientific Meet, on - ‘Radiation and Hazards’, for the doctors of The Grant Government Medical College

The programme, held at Sir J.J. Hospital, Byculla, was organized, essentially to discuss about:

- The Safety of Nuclear Power Plants (NPPs),
- No scientific proof of any reasonable linkage between radiation and cancer,
- Uses of radiation in the medical field and Oncology treatments.

Through this programme, the facts on radiation were provided to the doctors considering them as connectors to the society and they can allay the fears of general public effectively.

Key note addresses during inauguration were delivered by:

- Shri D. Gawande, Associate Director (Operations) NPCIL,
- Dr. S. B. Patel, Vice Dean, PG Section, Grant Medical College,
- Dr. (Mrs.) Abhichandani, Vice Dean, UG Section, Grant Medical College,
- Dr. (Mrs.) S. V. Akarte, Prof. PS&M and
- Dr. (Mrs.) Rujuta Hadaye, Secretary IAPSM.

Lectures on various relevant topics of interest were delivered by:

- Shri D. Gawande, AD (Operations),
- Shri H. R. Bhat, CE (HP)
- Dr. S. K. Jain, CMS,
- Dr. (Mrs.) M. S. Daniel, Certifying Surgeon, TMS,
- Dr. V. Rangarajan, Associate Prof. Tata Memorial Hospital and
- Dr. Pratap R. Bongirwar, former Medical Officer In-charge, Occupational Health & Disp. Services

About 110 doctors of Sir J.J. Hospital and its allied institutions participated in this scientific meet and interacted with the faculty during the question-answer session.
