

**Report on Public Awareness Program at "Garibpura Higher Secondary School"**

**Ta. Ghogha, Dist. Bhavnagar" on 17.12.2013**

A presentation on Nuclear Energy was scheduled at "Garibpura Higher Secondary School" under public awareness program. Garibpura village is at about 6 Km of aerial distance from Mithivirdi Plant Location. Garibpura is a small village having population of about 2200 people. Garibpura Higher Secondary School is having student strength of about 150.

About 115 students from class 9 to 12 attended the program. Banners mounted on standies were exhibited and explained to them. A Powerpoint presentation in Gujarati language about Nuclear Power describing need of electricity, depleting natural resources, increasing pollution, global warming and its effects, Nuclear Power Technology, radiation, safety aspects of NPP, etc were explained to them. Comic Books "Have Badlai Gayo Che Mansukh " part-3 and Infosheet were distributed to the students. Kits containing full set of booklets were given to teaching staff and village leaders.

Many questions related to NPP and its effects were asked by students and teachers and were replied to full satisfaction.

Photographs are placed below.
