

Kendriya Vidyalaya Lecture Programme at Ambernath, Ordinance factory KV.

Continuing the KV Lecture Series, two batches of around 250 students of class XI and class XII were imparted awareness by NPCIIL's team from CP&CC Directorate on 29/10/2015 and 30/10/2015 in two batches at Ambernath Kendriya Vidyalaya at the Ordinance factory township. The students actively participated in the presentation, post presentation Q&A sessions. The cheery response to the lecture series has inspired the NPCIL resource-persons to continually improve the content and presentation style of the seminars being undertaken in educational institutions.
