

Report on Public Awareness Program at "Chaniyala Primary School, Ta. Ghogha, Dist. Bhavnagar" on 07.08.2013

A presentation on Nuclear Energy was scheduled at "Chaniyala Primary School" under public awareness program. Chaniyala village is at about 10 Km of aerial distance from Mithivirdi Plant Location. Chaniyala is a small village having population of about 1000 people. Chaniyala Primary School is a small school having student strength of about 150 in all.

About 40 students from class 4 to 8 attended the program. Key points about Nuclear Power Plant were explained to them due to non availability of power supply at that time. Comic Books "Mansukh Ni Mulakat" part-2 were distributed among the students. It was instructed to all the students to read the book carefully and participate in the contest.

After reading is completed, five questions based on comic book were asked to various students and prizes were offered to the students replied with correct answers. A teacher attended the program. Kits containing full set of literature booklets were given to the school for distribution to village people.

Photographs are placed below.
