MAPS PUBLIC AWARENESS & OUT REACH PROGRAMME  
CELEBRATIONS OF NATIONAL SCIENCE DAY

SCIENCE is to seek truth, Experience the realities through experiments, derive the benefit & bring prosperity. MADRAS ATOMIC POWER STATION (MAPS) under the aegis of its public awareness and out reach campaign, highlighted this truth by sponsoring the Science Experiment Exhibition Program, which was conducted by Indian women scientists association (IWSA) Kalpakkam chapter, on the occasion of National Science Day.

The Science Exhibition competition was conducted in **5 Tamil medium schools** in and around Kalpakkam: **Sadras, Pudupattinam, Vengambakkam, Manamai** and **Thirukalkundram**. The event was conducted for 2 groups of children namely Junior group comprising of 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> std and Senior group comprising of 9<sup>th</sup> and 11<sup>th</sup> students. All the exhibits were judged by IWSA volunteers, which included officials from MAPS. The exhibitions garnered overwhelming and enthusiastic participation of about 300 nos. of students. The exhibits were as diverse as herbal garden , functioning of lung, balloon rocket, solar energy..... The participation prizes were given to all. The prize winners from each group, under each school were decided, based on the following criteria i.e. "application of underlying principle", "presentation of model", "replies to the query". There were totally 93 prize winning entries.

The valedictory function was organized on **1<sup>st</sup> MARCH, 2014** in the campus of **SADRAS HIGHER SECONDARY SCHOOL**, which was attended by teachers, prize winning students, parents, representatives of local media, members of IWSA. The poster display on various aspect of nuclear energy during the program was well received by students' community. Sri T.J. Kotteeswaran, SD, MAPS and Sri M.
