

Awareness Seminar at G H Raisoni Indian Institute of Engineering & Technology (GHRIET), Pune September 28, 2012

A public awareness seminar titled „Nuclear Power in India“ was organized by Nuclear Power Corporation of India Limited (NPCIL) at G H Raisoni Indian Institute of Engineering & Technology, Pune on September 28, 2012. The seminar was attended by a large number (nearly 250) of engineering & students, faculty members and invitees. Shri Ajit G. Tatiya, Trustee Director of GHRIET and Dr. R.D. Kharadkar, Principal GHRIET were present during the occasion. The lectures were delivered by Shri S.P. Dharne, ED (HR), Shri P.B. Mishra, ACE (KM) and Shri R.R. Sahaya, ACE (CFD&FA). The topics covered in the program included “Careers in NPCIL” by Shri S. P. Dharne, ED (HR), “Indian Power Scenario” by Shri P.B. Mishra, ACE (KM) and “ Nuclear Power Technology” by Shri R. R. Sahaya, ACE (CFD&FA). The lectures evoked lot of interest among all present both in technical and human resource areas as was evident from the question answer that followed the lectures.

**Introduction of NPCIL team by Prof. Vandana Dureja, GHRIET, Pune.
