

Plenary Lecture on “Environmental & Safety Aspects of NPPs”, and NPCIL Pavilion at Dr. Balasaheb Sawant Konkan Krishi Vidyapeeth, Dapoli, Distt. Ratnagiri

Dr. Balasaheb Sawant Konkan Krishi Vidyapeeth (DBSKKV), Dapoli, Distt. Ratnagiri & Indian Society of Tree Scientist, Solan, H. P. organized a National Conference on “Integration of Forest Resources for Climate Change Livelihood and Ecological Security”, during 26th -28th November, 2015 at DBSKKV, Dapoli.

Dr P. K. R. Nair, distinguished Professor University of Florida, USA was the Chief Guest of the conference for the inaugural function on 26th November, 2015, which was graced by dignitaries, such as Hon. Vice-Chancellor of DBSKKV, Directors of DBSKKV, Scientists, academicians, researchers and delegates from various parts of the country. From NPCIL Dr. Jitendra Singh ACE (ES), NPCIL, Mumbai and Shri. N. D. Chavan EE (Safety), JNPP, Ratnagiri participated in the event.

NPCIL had put up an exhibition stall at conference venue with PHWR simplified working model, stand-in panels and NPP public awareness literatures. Around 300 scientists, professors, research scholars / students from all over the country visited NPCIL pavilion, which was managed by Shri N D Chavan, EE (Safety), JNPP Ratnagiri. The visitors were explained about the working of JNPP through conceptual model. They were briefed on basics of nuclear technology, operation of Nuclear Power Plant, safety features and environmental aspects of Nuclear Power Plants. Total about 2000 Nos. of printed booklets and leaflets on Nuclear Energy in Marathi, Hindi and English languages were distributed to the visitors.

The conference ended with a plenary session on 28th November, 2015. Dr. Jitendra Singh, ACE (ES), NPCIL was the Chief Guest for plenary session. He made a presentation on environmental and safety aspects of NPPs. The presentation was well appreciated by all the conference delegates and the queries raised by them were addressed to their satisfaction.
