

Report on Presentation at "B M Commerce High School, Bhavnagar" on 23.07.2013

A presentation on Nuclear Energy was organized under public awareness program at "B M Commerce High School, Bhavnagar". B M Commerce High School is a leading school of Bhavnagar for science education.

About 225 students of class 11th to 12th science stream and teaching staff attended the program. Banners of Nuclear Energy were displayed and working model of PHWR type reactor was explained to the students. A PowerPoint presentation on Nuclear Power and safety in Nuclear Power was shown. "Info Sheet" booklets were distributed to all the students present and kits containing full set of booklets were given to teaching staff.

Questions related to Nuclear Energy were raised by students and staff like electricity tariff, site selection criteria, effects of earthquake, etc. Reply to all the questions were given to their satisfaction. Students and teaching staff expressed their gratitude for having such a nice and informative session and demanded for some more programs for other students. School has sent us an appreciation letter.

Photographs are placed below.
