

Kendriya Vidyalaya Lecture Programme Checks in at KV- IIT Powai

The KV Adoption Programme of NPCIL Awareness Series rolled in at the hallowed IIT Powai campus with a seminar undertaken by NPCIL's team on 21st July for a group of around 80 students of XI standard.

Word about NPCIL's benevolence of reinforcing Nuclear Science and Technology fundamentals to students and teachers has reached all KVs of this region with invitations coming in from other schools. Students and teachers of KVs are being continually acquainted and nourished with factual scientific information on the positive side of nuclear energy.

Info Sheets and Coffee table books were doled out to the students and Principal during this seminar conducted by representatives of CP&CC and HSE/HPU Directorates.
