

NPCIL participates in the India Nuclear Energy 2012 Exhibition

Nuclear Power Corporation of India Limited (NPCIL) takes part in the 4 th international exhibition and conference "India Nuclear Energy 2012" at Bombay Exhibition Centre, Mumbai. This exclusive event for the nuclear energy sector is organised by UBM India Pvt Ltd, co-organised by the Department of Atomic Energy (DAE) and supported by NPCIL and Indian Nuclear Society (INS). Dr. R.K. Sinha, Chairman of Atomic Energy Commission and Secretary of DAE, inaugurated the programme today. The exhibition and conference is from September 25 to 27, 2012.

NPCIL has set up a stall in this nuclear energy exhibition to showcase the capabilities and strengths in the field of nuclear power generation. The stall also depicts the safety of Indian Nuclear Power Plants, environment friendliness of nuclear power, performance and achievements of NPCIL.

Glimpses of the exhibition
