**Subject : Report on seminar on "Nuclear Energy-An Inevitable Option"at CGPIT, Bardoli - reg.**

A Seminar on "Nuclear Energy-An Inevitable Option" was organised at C G Patel Institute of Technology, Bardoli for the students and faculty of the institute. Office bearers of South Gujarat Productivity Council and Surat Engineering Vikas Association also attended the seminar as these two organisations are collaborating with the institute for research & development project. The seminar was inaugurated by Dr. N C Shah, Campus Director. Lectures on various aspects of Nuclear Energy were delivered by Shri K B Patel, Training Superintendent, Shri R K Dubey, Senior Training Officer and Dr. A K Patra, Head, Environmental Survey Lab. Response to seminar was very enthusiastic which can be judged by participation of more than 400 persons which included 387 students. Though the initial estimate was of about 150 participants, the students kept on enrolling for seminar and seeing the huge interest, all the registered students were allowed to participate in the seminar. The seminar was highly interactive. The participants asked various questions which included questions about Nuclear Plant safety in relation to Fukushima event and Nuclear Waste Management. The participants asked several questions even during informal interactions after the seminar. The Campus Director expressed his gratitude to KAPS for arranging the seminar and showed keen interest for Plant visit of KAPS for their all students and KAPS Team assured him for full cooperation for plant visit as per their schedule.

Photographs of the programme are attached for reference.
