

**Public Awareness at “National Vendor Development Program” organised
by MSME at The Big Show, Rajkot - 23.11.2015**

Ministry of Micro, Small and Medium Enterprise (MSME) jointly organized a Vendor Development Program with Rajkot Engineering Association at Rajkot on 23.11.2015. The program was organized for bridging gap between MSEs and various PSU and make them aware about procurement policies and procedures.

The “Bigshow Rajkot” exhibition was organized from 23.11.2015 to 26.11.2015 with about 175 stalls from various industries like machines, machine tools, electrical, electronics, communication, banking, etc. There were presentations scheduled on 23.11.2015 from various PSUs like IFFCO, Western Railway, NPCIL, Kandala Port Trust, Hindustan Petroleum & Canara Bank.

The exhibition was inaugurated by Rajkot District Collector Ms. Manisha Chandra followed by presentations by various PSUs.

About 100 vendors were present at the program. Director, MSME Development Institute, Ahmedabad delivered a welcome speech and requested the participating vendors to be proactive about latest guidelines of Government of India and take maximum benefit from the provisions made by the government for MSMEs. Dy. Director, MSME and Asst. Director MSME were present at the program.

From NPCIL, a presentation about Nuclear Power Technology in brief describing about present power scenario of India, fast depleting energy resource, need for Nuclear Power, expansion of Nuclear Power program etc. was delivered. Also a presentation about NPCIL’s contract and materials management system, online registration, e-Tendering system and provisions made for MSEs in NPCIL contact system, equipment and components being procured by NPCIL, MSE’s share in supply to NPCIL, etc was made.

Printed copies of the procedure for registration and online tendering system were distributed to the vendors present.

Photographs of the event are placed below.
