

**Lecture on 'Nuclear Energy-True Perspective' by Shri S.P. Dharne,
ED (HR), NPCIL at Sathye College, Ville-Parle, Mumbai.**

An invited lecture on 'Nuclear Energy-True Perspective' was organized by Sathye College, Ville-Parle, Mumbai on August 21, 2013 at their college premises to commemorate 'anti-nuclear day'. The lecture was delivered by Shri S.P. Dharne, ED (HR). The lecture was attended by large number students (nearly 150), faculty members of the college and invitees. Smt Rege, Principal Sathye College was present during the occasion. The lectures evoked lot of interest among all present in nuclear energy and effects of Radiation as was evident from the question answer that followed the lectures.
