**Report on the Awareness Programme at
Vivekananda Vidyalaya, Sriperumpudur**

Vivekananda Vidyalaya Matriculation Higher Secondary School, Sriperumpudur requested MAPS to conduct an Awareness programme on Nuclear Power and its Safety aspects at their school premises, as part of the training for the school Teachers and for the school children of 10th and 12th Std. students. In response to the request, an Awareness programme on Nuclear Power was conducted by MAPS on 30.5.2013 at the school.

The following team of Officials from MAPS participated in the Awareness programme:

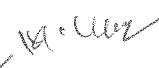

1. Shri S. Ravishankar, SO/G, TAE
2. Shri N.R. Shivaramakrishnan, SO/E, HPU

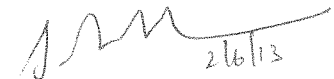

A briefing on the basics of nuclear energy, its eco-friendly aspects, the ubiquitous natural background radiation and radiation safety aspects was conducted for a duration of 90 minutes. The participants were encouraged to interact and clarify their awareness and knowledge on nuclear energy related topics. Copies of the information booklet 'Nuclear Power-Safe and Sure' and the comic book – Mr. Budhiya – on nuclear power was distributed to the participants on the occasion. Questions asked during the meet covered radiation from nuclear energy, health effects, fears about radiation, commissioning of KKNPP, Chernobyl accident and Nuclear Waste management.

The programme was conducted in two batches. In the first batch, all the school teachers participated in the programme. Around 60 teachers and staff participated. In the second batch, students of 10th and 12th standard participated. A total of 140 students attended the programme.

The programme generated a positive impression on the school children about the benefits of nuclear energy and provided an opportunity for enhancing the outreach activities among students on the beneficial and safety aspects of nuclear energy.

Samples of the photographs taken on the occasion are attached.
