Report on the Awareness programme for journalists at Chingleput.

(30.7.13&3,4.8.13)

A programme to create scientific awareness among students of various groups was organised by TamilNadu Science Forum as a part of their annual conference at Chengleput. It was conducted in two phases. One at Rajeswari Vedachalam College of Arts and Science on 30.07.2013 and two days programme at Krishnamahal Chengleput(2.8.2013-4.8.2013). MAPS public awareness team has participated in these programmes. On 30.07.2013 lectures on Nuclear safety and Radiation safety along with programme from TNSF was organised to the science stream students of the college. An exhibition was also organised which was inaugurated by the Principal of the college. Around 350 students visited the exhibition and clarified their doubts. Pamphlets depicting various aspects of Nuclear and Radiation safety were distributed which received wide appreciation. Students were also presented with a cap with NPCIL logo.

On 3.8.13 an exhibition was organized at Krishnamahal which covered a wide group of population from the surrounding areas. Members from around 500 centers were invited for the conference. So an awareness lecture was organized on 4.8.13. Shri. Ravishankar, TAE has delivered a lecture covering all safety aspects related to NPPS.
