1	Supply, transportation & safe delivery of Alkali (Liquid Caustic Soda Lye) - (Operational Consumable) on Operational Emergency Basis	RR Site/Stations/Common/CMM//75937 dated 23/04/2021	M/S LALIT BROTHERS	CMM/Station/Common /PROV/75937/PO-98636 dated 24/04/2021	16.99	23-08-2021	Tender no. 75670 (for procuring 110 MT Caustic Soda Lye) was processed through GEM portal with bid due date & time as 22/04/2021 (11 AM). As no offer was received against this tender, due date was extended up to 30/04/2021 for opening of Part-I. RAPS-5&6 had already given requirement for 20 MT, which needed to be met on priority basis. In addition, RAPS-3&4 had also given their requirement for 20 MT to meet their operational requirement in forthcoming days/near future. RAPS-1&2 had also raised requirement for Caustic soda lye vide their mail dtd. 22/04/2021 for 8.0 MT.	Site Director	RR Site
							Therefore, procurement of Caustic Soda lye for minimum quantity of 40 MT (on 100% purity basis) is considered very much necessary to meet any operational exigency for operating units at RRS. This quantity will be sufficient to meet requirement for operating units at RRS for 3-4 months.		
							In response to our limited tender invitation against indent no. 75924 to 10 potential bidders, the following two bidders have submitted their bids, which shows current market trend for Caustic soda lye – M/s. Lalit Brothers, Ratlam (Technical acceptable L1 Bidder) & M/s. Hetal Impex, Mumbai (Technical acceptable L2 Bidder). In view of the above, proposal for processing the requirement for 40 MT (On 100% purity basis) on Operational emergency basis were put up and approved as: (a) Mode of Tender - Nomination basis. (b) Validity of the contract - four months.

3	REFILLING OF MEDICAL OXYGEN CYLINDERS	RRSITE/CMM/STATION /COMMON/GAS/75977 dated 04-05-2021	M/s S.R.K. Industrial Gases	98715 dated 15-05-2021	1.96	12-09-2021	An urgent meeting was held at RAPS Hospital M.S. Office on 29.04.2021, regarding ensuring the availability of medical oxygen cylinders. Earlier RAPS Hospital was receiving the regular refilling supply facility from M/s. Wilson, Kota. With the second wave of Covid-19, the supply of refilling from Kota is under the administrative supervision of District Magistrate, Kota and thereafter with his kind consent, we are getting only 15 cylinders on alternate day basis. This is way short of our current requirement.	Station Director, Unit 7&8	RR Site
							To meet our emergency requirement of Medical Oxygen cylinders, further communication was made with District Magistrate-Chittorgarh and CMOH-Chittorgarh & after their consent and as per the directives given by the District Magistrate-Chittorgarh and CMOH, M/s. SRK Industrial Gases - Gagar Dist, Chittorgarh is the only supplier available who can provide oxygen during this emergency medical situation. Continuous supply of Medical Oxygen is need of hour to save the humanity line in this pandemic situation. Considering the above fact, administrative approval was accorded by the Site Director, NPCIL RR Site. Station Director Unit 7&8 approved the purchase proposal on nomination basis.
