(I-A) DETAILS OF WORKS / CONSULTANCY CONTRACT (ABOVE 5.00 LAKHS)										
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)	(10)	(11)
Sr. No.	Name of Work / Description of Item	Tender / Quotation No. & Date	Estimated Cost (Rs.)	Name of the Agency	Work Order No. & Date	Value of work awarded (Rs.)	Contract Period	Reasons for nomination	Approving Authority	UNIT
1	Annealing of Nickel Gaskets	NPCIL/KKNPP/O&M/MMU/NOM/2015/111	75,000/-	M/s. Lakshmi Vacuum Heat Treaters Pvt. Ltd, Bangalore	800712 dtd. 15.02.2016	75,000/-	14 days	Due to urgency and specialized work to be executed during Reactor shut down period	Station Director	KKNPP
2	Assistance in day today activity in round the clock shift operation jobs upto 31 August 2016	NT-1200	10,75,584/-	M/s. Jaggi electrical	WO No. 63533 dtd. 02-01-2016	12,30,862/-	8 months	<p>The existing WO no. 63315 was awarded to M/s. Gayatri Enterprises Rawatbhata for a period of 02 year in September 2014. This contract had a provision of 23 persons. The contractor was not paying salary to his workers. Two times department had paid to his workers for four month salary. In spite of giving many notices and letters to contractor, he was not paying any attention. Since 10th Dec. 2015 manpower of this contract stopped coming to plant as they were not getting salary.</p> <p>This had created a sudden dead lock on 10/12/2015 for essential services to continue both units operation. Both units were in running condition and many jobs viz. shifting of gas cylinder from station to store and vice-versa, heavy water drum handling, in round the clock shift operation got came to halt position. To avoid such emergency situations in running both units, it was planned to deploy bare minimum manpower (08 nos. of semi-skilled workers) to avoid any problem in unit operation. Hence, to restore urgent portion of work on immediate basis, a nomination contract was given with approval of competent authority to avoid any emergency condition in plant operation due to non-availability of manpower assisting labour intensive service to continue both unit operation without any interruption.</p>	SD - RRSite, Unit-3&4	RR SITE
